# Dr. Pankaj Maheshwari

Dr. Pankaj Maheshwari has passed his B.D.S. from Nair Hospital & Dental College, Mumbai in 1984. He has completed Post Graduate Certificate Course in Aesthetic & Cosmetic Dentistry from Encode affiliated to SUNY University at Buffalo, New York (U.S.A.).

He is the Accredited Member and Past President of Indian Academy of Aesthetic & Cosmetic Dentistry (IAACD). He has participated and conducted numerous Conferences and Seminars on Aesthetic & Cosmetic Dentistry in India, Thailand, United Arab Emirates, Sri Lanka, Sweden, Germany, Switzerland and United States of America. He has been the invited speaker at Zoroastrian Congress, IAACD conferences, IDA State and Scientific Conventions, Famdent Shows and Dental Colleges across India.

He maintains his private practice at Lokhandwala Complex Mumbai since the past 40 years. He is the past President of Rotary Club in Mumbai and District Avenue Chairman.

# Composite Essentials

**Live Lecture**

Online

**17<sup>th</sup>  
APR**

**Hands - On**

At Mumbai \* / Online

**24<sup>th</sup>  
APR**

## **TOPICS COVERED**

- Different Materials used for Direct Restorations & their applications
- Nanotechnology & its role in Aesthetic Direct Restorations
- Simple Steps to Select Shade of Composite

## **POSTERIOR RESTORATIONS - CLASS 1 & 2**

- Tooth Preparation - Armamentarium, Conservative Protocol
- Different Adhesive (Bonding) techniques
- Polymerization shrinkage & C Factor
- Development of Proximal Contacts
- Achieving ideal Occlusion through Finishing & Polishing

## **ANTERIOR AESTHETIC RESTORATION - CLASS 3**

- Tooth Preparation Protocol including Bevelled Surface
- Development of Proximal Contacts
- Role of Multi Layering in creating Aesthetic Restorations

## **CERVICAL RESTORATIONS - CLASS 5**

- Step by Step Approach
- Importance of Gingival Retraction

## **HANDS-ON**

- Step by Step procedure under Direct Supervision of Faculty
- Class 2, 3, 5

\*Hands-On in Mumbai will be conducted in accordance to Government Regulation.

# Mastering Biomimetic

**Live Lecture**

Online

**18 - 19**  
APR

**Hands - On**

At Mumbai \* / Online

**25 - 26**  
APR

## TOPICS COVERED

- Principles of Biomimetic Restoration
- Minimalistic Anatomical Layering
- Colour Theory
- Principles of Smile Design
- Selection of Composite based on Dentin and Enamel Colours
- Colour Palette Technique
- Tints Selection and Clinical Application

## ANTERIOR AESTHETIC RESTORATION - CLASS 4

- Tooth Preparation Protocol including Bevelled Surface
- Development of Proximal Contacts
- Silicon Index Technique

## DIASTEMA CLOSURE

- Role of Mock-Up
- Direct & Silicon Index Technique for Diastema Closure
- Clinical Film on Diastema Closure

## DIRECT COMPOSITE LAMINATE

- Indication and Limitations of Direct Composite
- Protocol for Tooth Preparation, Bonding, Layering, and Finishing

## HANDS-ON

- Step by Step procedure under Direct Supervision of Faculty
- Rubberdam Application
- Class 1, 2, 4
- Diastema Closure
- Direct Composite Laminate
- Composite Finishing and Polishing

\*Hands-On in Mumbai will be conducted in accordance to Government Regulation.

# Smile Design

w/ Porcelain Laminate Veneer

**Live Lecture**

Online

**20 - 21**  
APR

**Hands - On**

At Mumbai \* / Online

**27 - 28**  
APR

## TOPICS COVERED

- 22 Smile Design Principles
- Smile Analysis & Smile Design
- Porcelain Laminate Veneer (PLV)
- Dental Photography

## PORCELAIN LAMINATE VENEER ( PLV )

- Chair-Side Composite Mock-up
- Diagnostic Mock-up
- Silicon Indexes for Tooth Preparation
- Aesthetic Pre - Recontouring ( APR )
- Aesthetic Pre - evaluative Temporaries ( APT )
- Teeth Preparation ( AMP way )
  - Facial, Gingival, Proximal
  - Interproximal, Incisal, Lingual
- Rubber base impression
- Bite Registration
- Provisional Fabrication
- Lab Communications
- Try in PLV - Individual & Collectively
- PLV Cementation

## HANDS-ON

- Step by Step procedure under Direct Supervision of Faculty
- Silicon Indexes for Tooth Preparation
- Aesthetic Pre - Recontouring ( APR )
- Aesthetic Pre - Evaluative Temporaries ( APT )
- Teeth Preparation ( AMP way )
- Rubber base Impression
- Provisional Fabrication

\*Hands-On in Mumbai will be conducted in accordance to Government Regulation.
